Grantee shall deposit with the Grantor 50% of the total estimated costs within 48 hours after the Application has been approved, provided, however, that the estimated fee must be paid in any event no later than the commencement of the Use. The balance of the estimated fees, plus any additional costs, will be paid to Grantor within ten (10) days after Grantor has issued the final bill to the Grantee.

4.. **Prorations.** It is expressly understood that the Access Fee and Reimbursement Fees as set forth above shall be ratably prorated by Grantor within [three (3) business days] following the expiration or termination of the License. 6. **Property Condition.** Grantee agrees to exercise due care and caution in order to protect the Facility and the improvements thereon against any damage that may result directly or indirectly from the acts or omissions of grantee, its employees, agents, independent producers, suppliers, and contractors, and agrees to return the Property to its original state after the termination of access granted hereunder, reasonable wear and tear excepted. In addition, Grantee agrees that: (a) Grantor will provide security during its access to the Facility at Grantee's expense; and (b) that it will cause as little disruption to the operation of the Facility as possible during its Use

The foregoing defense, indemnification and save harmless obligation of the Grantee shall not extend to any damages, losses, claims, demands, actions and causes of action whatsoever for which Grantor, its successors and assigns may cause and arising from any acts or omissions outside of the scope of any immunities available to it under any applicable state or federal laws (e.g, fraud, willful misconduct) as determined by a court of competent jurisdiction. Further, the Grantee's obligations under this Section 7 shall not serve to limit any remedies that the Grantee would otherwise have ability to seek redress for pursuant to state or federal law against the Grantor, its successors or assigns.

14. **Default.** If the Grantee fails to observe or comply with any provision of this Agreement, the Grantor may, after two (2) days prior written notice to the Grantee and without any prejudice to any other right or remedy Grantor may have at law and/or equity, terminate this Agreement.
15. **Entire Agreement.** This Agreement, including exhibits, constitutes the entire Agreement and understanding among the parties and supersedes all prior agreements, oral or written. Any change, amendment or modification of this Agreement must be in writing and signed by all parties to this Agreement in order to be effective.
